Thank you for setting this up.

I have reached out to @Tee Jane Teh as well to provide some crime stats on various locations. Once we find a suitable location I'll reach out to the city to get an answer ASAP.

I look forward to working more with you Anton.

Michael –

Flock safety is interested in providing SMPD a camera to test and evaluate. Tentatively they would like to install it on 10/16/23. Please coordinate with CSU/DB to find a suitable to location. Then, please coordinate with Antouan and the City to expedite the permit process.

Antoun will be sending some marketing materials so CSU can share and demo this solution to local businesses and other City departments who are frustrated by crime or want a preventative solution.

Thank you,

Dan

Commander Cohen,

I have some good news for you. I've been able to get a Condor camera approved for Santa Maria PD for you guys to play around with. Please let me know if you have a few minutes to connect.

Talk to you soon.
- Anton
